

Information about BVAT membership

Become part of the Federal Association for Dent Technology and Hail Repair and represent the interests of the industry. We offer two membership models with different opportunities and benefits.

Differences between the types of membership

You have two options for getting involved in the BVAT as a member. Below you can see the differences between the basic membership (passive membership) and the full membership (active membership).

Basic membership (passive)

- Right to vote at the annual general assembly
- Eligibility to participate in all association events
- Right to information, advice, and, if applicable, support in all matters concerning their profession
- Right to use the association's logo
- Inclusion in the association's email distribution list
- Logo presentation on the website

365,- € / year

Full membership (active)

- Eligibility to participate and vote at the annual general assembly
- Active and passive voting rights in board and advisory elections
- Eligibility to participate in all association events
- Right to make decisions and proposals in working groups
- Right to submit motions at general assemblies and in working groups
- Right to inspect reports and documents
- Right to propose candidates for elections
- Presentation of your own logo and company address on the association's website
- Right to information on all matters concerning the association
- Right to use the association's logo Inclusion in the email distribution list for full members

950,- € / year

Application for admission

I hereby apply for admission to BVAT e.V. as:

- ☐ **Basic member (passive membership)** – annual fee €365 net
- ☐ **Full member (active membership)** – annual fee €950 net

Please tick the desired type of membership.

I/we have taken note of the valid statutes and the documents to be submitted and agree to the provisions set out therein in all respects.

You will later receive your personal membership certificate.

Cancellation policy

You have the right to revoke your declaration of accession to BVAT e.V. within 14 days without giving any reason. Regardless of this, the right of withdrawal ends as soon as you, as a member of BVAT e.V., have made use of the association's services.

The period begins at the earliest upon confirmation of your membership by the board or the office of the association.

The revocation of the declaration of accession must be clearly declared in writing.

This declaration must be sent by post to the office of BVAT e.V., Obentrautstraße 16 - 18, 10963 Berlin, or by email to info@bvat.de

Consequences of withdrawal

In the event of withdrawal, we will refund all membership-related payments that we have received from you immediately and at the latest within 14 days from receipt of your notice of withdrawal. We will not charge any fees for this.

If you request that the membership begin during the withdrawal period, a proportional membership fee will be due based on the time of your withdrawal.

I hereby confirm that I have been expressly informed of my right of withdrawal and confirm receipt of a copy of this cancellation policy.

Information sheet for the application for admission

The membership fees for sponsoring members according to the applicable fee schedule are due upon confirmation of your membership from the time of admission. Upon confirmation, you will receive an invoice for the current financial year.

To process your application for admission, we require the following documents from you by email to info@bvat.de

- ☒ **Signed data protection consent declaration**
- ☒ **Signed cancellation policy**
- ☒ **Company logo (.ai or .eps file) for embedding on the association's website by email**

We will contact you as soon as the application has been checked for completeness and the board has made a decision regarding your membership application. We will inform you of this decision separately.
